

January 15, 2010

Dear Sponsor,

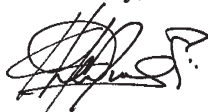

News of the historic earthquake that has stricken the country of Haiti is just starting to reveal the depth of suffering that our brothers and sisters are presently experiencing. We, as one people, must come to the aid of God's inheritance – our brothers and sisters in Haiti. The purpose of this letter is to request your assistance of this endeavor.

The immediate need of the victims of this disastrous earthquake is medical care. Medical supplies and staff are needed as quickly as they can arrive. Our goal is to raise at least \$200,000 by January 18, 2010 to purchase medical supplies and to send medical teams to Haiti in order to provide care to the sufferings. Will you help us to reach this goal? Your donation is tax deductible.

Kindly make your check payable to Southeastern Conference of SDA. In the memo of the check mention Haiti Disaster Response Effort. You may give your check to the bearer of this letter. If you prefer, a pay pal account is available through the Conference website (www.secsda.org); feel free to use it. Remember to mention Haiti Disaster Response Effort.

Thank you in advance for your support. If you have any questions, feel free to call the numbers below: 352-735-3142 ext 127 or 407-342-4099.
