Total Expenses: \$

Grant Application

1. Introduction/Proposed Purchase: In a short paragraph, summarize the project/items you're seeking funding for and, if this is part of an established ministry, how it will enhance your overall program.

2. Ministry Overview: Briefly describe your overall organization including what services you offer and who benefits from this. What is the specific need in the community that you meet and what is unique about your services?

3. Activities/Objectives: In tangible, measurable terms, list the results of your current programming. How many people are served, how many classes offered? In addition, what goals do you hope to achieve through the purchase of the items funding is requested for?

4. Outcomes: What changes in people's lives do you expect because of your services? What will change in the homes of the families you serve? These may not be immediately manifest but can be reasonably expected or you have seen in the past.

5. Impact: What long-term changes do you expect to see in your community because of the services you offer? What will be different for the community at large because your ACS Center existed?
6. Leadership Qualifications: What leadership and technical skills does your organization possess that makes you qualified to address the needs represented in your mission?
7. Partnerships: What community partners do you work with? List with a one or two sentence description with each relationship.
8. Facilities/Resources: What space(s) do you operate out of? Is it a shared space or dedicated for ACS use only? What resources do you have access to that makes this ministry possible?
9. Implementation/Evaluation: Describe the who, what when and how of accomplishing this project. Also, how will you evaluate the effectiveness of the change? Consider both qualitative and quantitative evidence.

Supporting Documents

1. Photos, Bids, blueprints, contracts, etc.
2. Letters of support
 - a. Conference ACS Director
 - b. Conference Treasurer, President, or Executive Secretary

First DEADLINE for 2023
