YAL LIFE TOUR

WELCOME TO THE YALT JAX!

It brings me immense joy to extend a warm welcome to each one of you as we gather for this transformative experience. With the theme "Next is Now," we embark on a journey of empower emerging generations to embrace

Young Adult Ministry in the context of the Southeastern Conference encompasses ages 18-35 and is divided into three main categories: Collegiate, Disciple, and Young Adult Professional. The Young Adult LIFE tour within the Southeastern Conference seeks to empower, equip and train an emerging generation of leaders to be cultural changemakers in their Church, their marketplace, and their world.

Throughout this weekend, our focus will be to discover what it means to embrace LIFE:

Leadership Impact: We aspire for personal transformation and growth, enabling each attendee to wield influence and leave a lasting legacy.

Intergenerational Relationships: We cherish the value of empathic, authentic, and warm community-building across generations.

Faith Development: Central to our journey is the nurturing of Christ-centered spiritual growth, fostering a deep and meaningful connection with our faith.

Everyday Compassion: We are committed to serving the immediate and eternal needs of others, reflecting Christ's love through acts of compassion in our daily lives.

As we embark on this journey we invite your prayers as we anticipate God's hand moving to work wonders among us. May this weekend be a time of profound revelation, growth, fellowship and revival!

Once again, welcome to the Young Adult Life Tour Jacksonville!

Grace and peace,
