Welcome

Dear Campers and Families,

Summer Camp 2009 will provide a unique and exciting experience for our young people. The theme is: **The Sanctuary – My Passport to Paradise**. We will study the fundamental teachings of the sanctuary by erecting a replica as recorded in the scriptures. Our goal is for each camper to gain an understanding of this precious truth. Therefore, please come prepared to have a wonderful time exploring Bible principles, participating in educational classes, taking part in recreational and sporting events, meeting new friends, and enjoying delicious meals.

The Southeastern Conference is a current member of the Adventist Association of Camp Professionals (AACP), Adventist Camp Ministries (ACM), and is accredited by the American Camping Association (ACA). Furthermore, the Southeastern Conference Summer Camp Staff will be required to complete a week long training and educational course prior to the start of camp.

For additional information and forms, you can go online: secsda.org.

Sincerely,

Caesar A. Robinson

Youth Director

Description

The Southeastern Conference camp site is located in Hawthorne, FL and has been the location for all of our annual camp meetings, pathfinder, adventurer and summer camps. These events are held throughout the year and draws hundreds of people to gather on 60 acres of peaceful landscape. The events held here are for the sole purpose of providing an environment where all of our members and non-members can enjoy all types of recreational, educational and spiritual activities. Our campsite is owned and operated by the Southeastern Conference of Seventh Day Adventists and requires all attendees to uphold all the standards of the Seventh Day Adventist Church and abide by all the rules and regulations of the campground.

Regulations and Policies

Camp Hawthorne is a Christian camp owned and operated by the Seventh-day Adventist Church for the purpose of providing a Christian summer camp atmosphere. Church membership is not required, although it is understood that those who attend will uphold the standards of the Seventh-day Adventist Church. Camp Hawthorne is committed to providing a safe atmosphere where campers can enjoy summer camp without the interference from worldly influences. In striving to accomplish this mission we have set forth camper policies to give boundaries and standards for campers to follow. It is understood that when a camper chooses not to abide by the camp policies, they may be asked to leave with no refund.

Camp policies include:

- Campers are expected to obey their counselors and the summer camp staff.
- Campers are to be on-time and attend the scheduled activities and programs.
- Campers are to let their counselors know where they are at all times.
- Campers are to show respect to other campers and staff.
- Campers are to show respect to the camp property and not deface it in any way.
- Campers are to behave in a Christian manner.

The following will not be allowed, and may result in the camper being sent home:

- Violence towards other campers or staff (verbal or physical)
- Sexual misconduct
- Entering opposite sex cabin
- Possessing any tobacco product
- Possessing any alcoholic beverage
- Possession of narcotics or Non-Prescription drugs
- Possession of cell phones
- Possession of any form of weapon
- Breaking the law as set forth by the state of Florida
- Wearing inappropriate clothing (miniskirts, bikinis, spaghetti straps, halter tops, short shorts, clothing that exposes undergarments, etc.)
- Use of foul language or gestures
- Disrespect toward others or destruction of camp property
- Repeated misbehavior or disobedience

Disciplinary action:

1. First, challenges will be handled by the camper's counselor.
2. If the challenge continues, the Summer Camp Director will counsel with the camper.
3. After that, if there is still a problem, the Youth Director will become involved and the parent will be called.
4. If that doesn't solve the problem, the camper may be sent home at the expense of the parent(s) with no refund.
